Breaking Out . . .

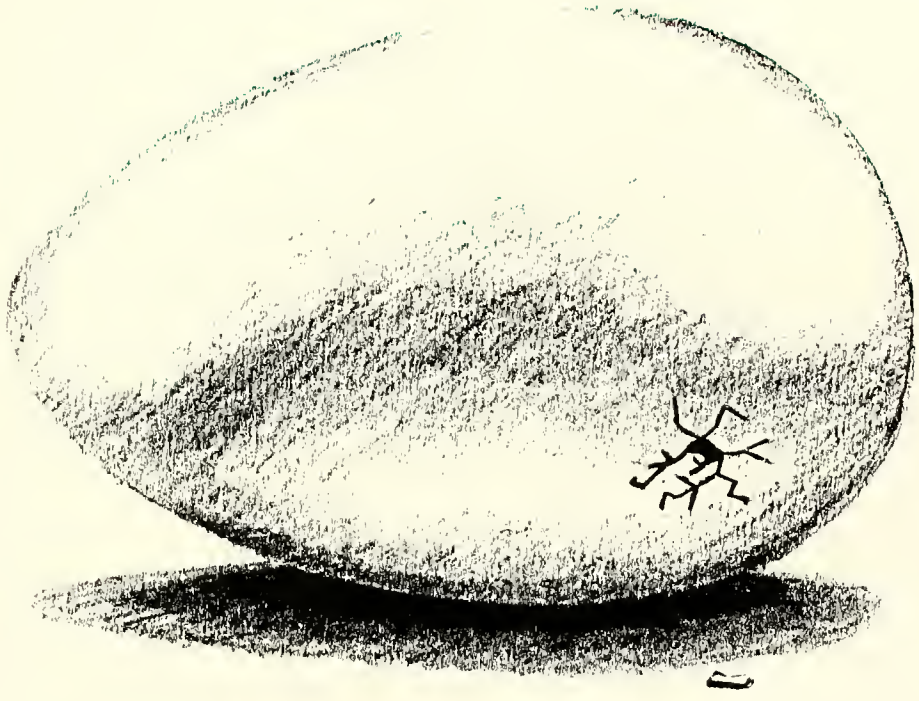
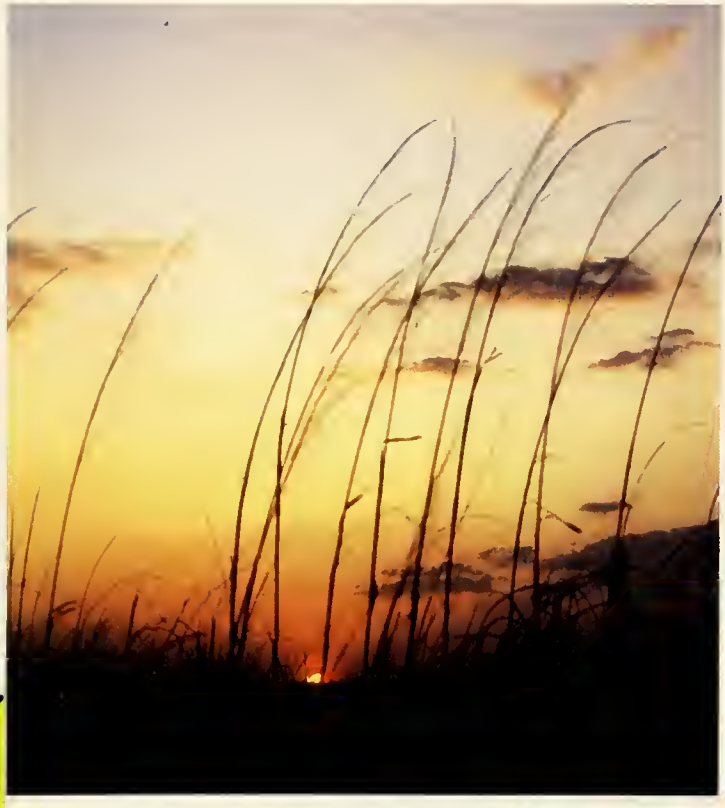
A New Beginning



1989 Fledgling

The University of North Carolina at Wilmington
601 South College Road
Wilmington, North Carolina 28407

The Beauty of Wilmington



Beauty is defined as the harmony of excellence, form, and originality. This also describes the city of Wilmington. Beauty may be found at the beach as couples stroll in the moonlight, at Riverfest while thousands of people celebrate, and at the Azalea Festival as people from miles around come to view the vivid colors at parks like Hugh McRae.

Far left: A beautiful sunset overlooking Wrightsville Beach was a very common sight for many UNCW students. Left: The spires of the First Presbyterian Church on Third Street rise high above the Wilmington skyline. Bottom left: A breathtaking sunset was the perfect ending to a long day. Below: Thousands of people attend the Azalea Festival each year to see the flowers in bloom and pretty Southern Belles located along the "Tour of Gardens." Right: Many people come to visit the USS North Carolina.

Above: The US Coast Guard Cutter, Northwind, was decommissioned on January 20, 1989.

In the Beginning . . .

Above: The gracious entrance to our university

Wilmington College was founded in 1947. In 1958, UNCW became a state supported community college. By an act of the state legislature Wilmington College became a four year college. Finally, in 1969,Wilmington College became The University of North Carolina at Wilmington. From these humble beginnings, UNCW has grown in both size and spirit; UNCW is the fastest growing university in the UNC system. The spirit that is found here has become known as Seahawk pride. With this thought, we would like to present to you the 1989 Fledgling.

Alma Mater

by Charles Hunnicutt & Loyd Hudson

Hail we proudly sing to thee
Who guides our green and gold.
Though future years may part us,
Fond mem'ries we shall hold.

(Refrain)
For our hearts will cherish
All your service done
All hail to the Alma Mater,
Praise to Wilmington.

Here we stand as one together
Voices raised in song.
Our loyal hearts will praise thee
As God doth lead us on.

Our Campus

This campus is glorified by many beautiful structures. The attractiveness of UNCW has allowed the enrollment to increase each year since the founding of the University in 1947. This expansion has affected the area of our campus, which has grown significantly and will continue to do so. The campus is approximately 650 acres and less than 5 miles from the Atlantic Ocean. The University has become known as UNC by the Sea because of its proximity to the ocean. A delightful year round climate is shared by all of Wilmington. This exceptional weather allows residents of both UNCW and the city of Wilmington to participate in a variety of recreational activities.

The University houses the Cameron School of Business, the School of Nursing, and the School of Education. Along with these three schools, the University offers a Bachelor of Arts and a Bachelor of Science in a various range of subjects. Graduate programs are offered that lead to a Master of Education, a Master of Science, and a Master of Business Administration degree. A variety of pre-professional programs are also offered.

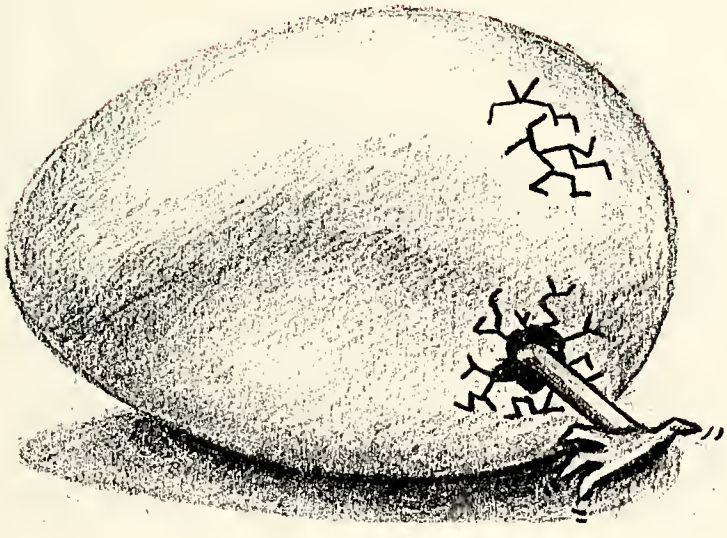
Opposite Page, Left: The University Cafeteria is visited daily by hundreds of students. The meals are provided by ARA Services. Right: The Water Tower is a memorable landmark on the UNCW campus. This Page, Top: The University Union is visited daily by thousands of students so that they may receive their mail. Also located in the Union are the organization offices of the SGA, UPB, WLOZ, The Leadership center, Livwell/Alternatives Center, the *Atlantis*, the *Fledgling*, and the *Seahawk*. Middle: The William Madison Randall Library was named for the University's first president. Thousands of students and faculty make use of this facility each year. Bottom left: Hoggard Hall houses the School of Nursing and special programs like the Science and Mathematics Center. Bottom Right: The cherry trees in front of King Hall bloom each spring. King Hall houses the School of Education.

New On Campus

There have been many additions to the UNCW campus this year. Late last spring, the baseball field was opened and named Brooks Field. This expanding urge continued with many new buildings and facilities opening this fall. On August 24th, the Office of Residence Life opened a gazebo and recreation fields for the resident students of UNCW. Behind the recreation fields and next to the Bluethenthal Wildflower Preserve, a pond is being built that will add to the natural beauty of the campus. Less than one month later, the Greene Track was opened and dedicated to Mr. and Mrs. Harold Greene at the Seahawk Invitational on September 17th. The School of Business, formerly located in Bear Hall, was moved to the newly built Cameron Hall; the building was officially dedicated to Daniel and Bruce Cameron on October 5th. Bear Hall is now being renovated; graduate and special undergraduate programs will be located there second semester. New residence halls are being built behind the Office of Residence Life and Hall '85. These new halls along with a new cafeteria will be opened in August for the upcoming year.

Opposite Page: Top, Brooks Field baseball stands and press box; Middle, Residence Life Gazebo and Activities field; Bottom, Greene Track.
This Page: Left, Cameron Hall School of Business; Below, Construction continues on New Student Housing.

Campus Life



Within the campus of UNCW, an individual may expect to find many things. Among these things, he or she may encounter groups of people who gather for different reasons. These reasons may include partying, studying, or simply procrastinating. Within these pages are the many activities that they participate in. Without these groups, UNCW would not be the unique and individualized university that it is.

Living in a Box

THE LIFE. Dorm life is an experience that the residents do not soon forget. The loud music, the small rooms, the cold showers, and the lack of privacy are all parts of living in a dorm. It is an experience one would have hated to miss.

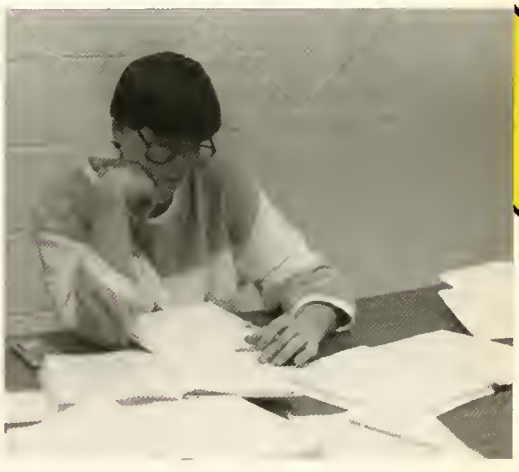
THE MOVE. Moving into a dorm room could have been a frightening encounter, especially if the student had not been away from home before. The Office of Residence Life was created to make this transaction a little easier. Its goal was to establish an atmosphere as close to home as possible.

THE FUN. The dorm room also provided a good place to eat, sleep, study, or relax with friends. There were also the . . . parties! Partying was a favorite extra curricular activity with the dorm residents. Everyone can remember the night that their roommate drank a fifth of vodka, or when you woke up and found people crashed all over the floor, and then you realized that you were in the wrong room! Of course, there were the people who did not enjoy the all night parties. Remember the night before your biology exam and the room next door could not keep it down?

THE LIFESTYLE. Living in a dorm also provided one with a different lifestyle. "There's no other place where you can walk next door and be with friends," said Clint Rouse about living in a dorm.

THE ORDEALS. Then there were those incidents that you would have liked to have forgotten. Remember the time your girlfriend called and your roommate's sister answered the phone? Or, who could forget the time mom and dad stopped by for a surprise visit? Remember trying to explain those incidents?

Overall, dorm life was nothing what one would like to experience again. Now, all one has to do is remember the good, the bad, and occasionally the ugly.



Opposite Page: Mario Maher and Laura Spanjer take a walk through a winter wonderland.

This page: Top, Matthew Thomas and Patrick Fowler pass in Graham Hall; above, Becky Austin and Julie McCan spend a quiet evening watching television; top right, everyone enjoys getting a phone call occasionally; right, John Dean takes time out from partying to study for an upcoming calculus exam.

Residence Life

Getting There

Studying is defined as applying one's mind to the acquisition of knowledge or understanding of a subject. There are many ways to apply this definition. Some of us cram the night before the exam, others hope that they have learned what they need to know from class, and others of us who start studying the day the assignment is given. Somehow, we get all of the work done, even if it means pulling an all nighter.

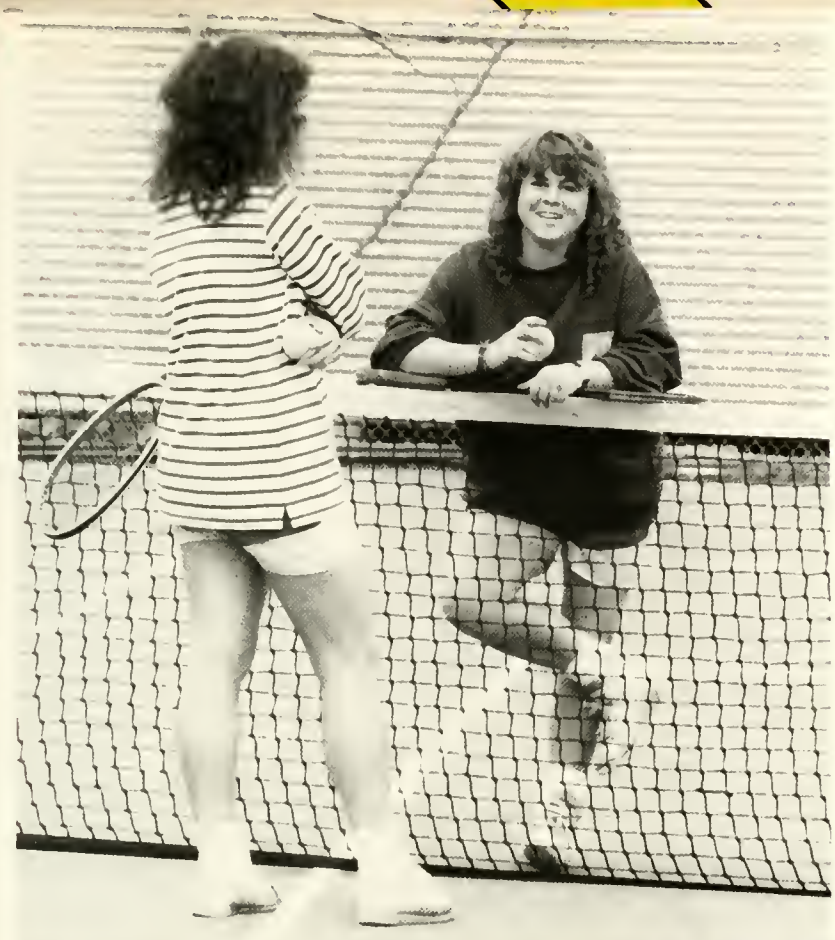
Sometimes, we have extra problems to worry about like having no parking spaces left, someone stealing your bike because you forgot to lock your lock, or having so much traffic that you have to wait to cross the street so that you will be late for class. These problems are faced daily by students, faculty, and staff. Hopefully, the new parking lots that are being built along with the extensions of the existing lots will partially correct the problems.

Above: Sandy Griffin takes time out to study in the shade. Opposite page, top: Many students, like this one, choose to study in the University Union's lounge area. Middle left: "And then what happened?" Middle right: Two students discuss their classes and the upcoming weekend. Bottom: One must first lock their bike before entering the wonderful world of calculus.

KNIGHTS

Phone
Phone

Student Activities



Recreation is defined as relieving one's mind or body after work through some activity that either amuses or stimulates. In August, the Office of Residence Life opened the Gazebo and recreation fields so that students could participate in a various number of recreational activities. The fields give students the opportunity to play tennis, volleyball, softball, and basketball. They are used daily by UNCW students. Along with these activities, students may play pool or video games, in the game room, in the University Union.

Among these activities are Career Day, the Activities Fair,and Livwell '88. These programs allow students to mingle in the crowds and enjoy themselves.

Career Day
Activies Fair
Back to School Dance
Livwell88

Dining at UNCW

Food is defined as material that is taken and assimilated by an organism to maintain life and growth. A large percentage of the students living both on and off campus, have a meal-card. The food at UNCW is provided for the students, faculty, and staff by ARA Services. The cafeteria gives students an opportunity to eat well balanced, healthy meals. They serve a variety of dishes on a daily basis.

The Hawk's Nest, also serviced by ARA Services, serves fast food style meals to students and faculty. Here you have a choice of food from the grill, the Seaside Deli, the salad bar, and the Gretel's Sweet Shoppe. Both places accept either meal cards or cash. Most students appreciate this when the cash flow is dwindling.

Above: Students have many choices of what to drink; sodas, tea, milk, juice, or water. Right: Students enjoy a good laugh after their meal.

Left: Tasha Boone makes a salad at the Hawk's nest salad bar. Below: Students can enjoy light conversation, study, or watch television. Bottom: "Part of the fun of taking yearbook pictures are the different reactions that people have when you catch them unaware", 'Mr. Ed'.

Supplies and Mail

Dear Mom and Dad,

Hi! How is everything at home? I'm doing fine. My classes are really hard, my professors are mean, and my roommate and I have only had a million fights this week.

Guess what? I just found the cutest little shirt at the bookstore. Mom, I know that you'd love it; you'd look great in it. Dad, do you remember telling me that when I find the perfect class ring all I had to do was tell you? Well, I found it at the bookstore. Oh, by the way, I'm running out of paper and I could use a few new pens. They're at the bookstore too, so I can get everything all at once.

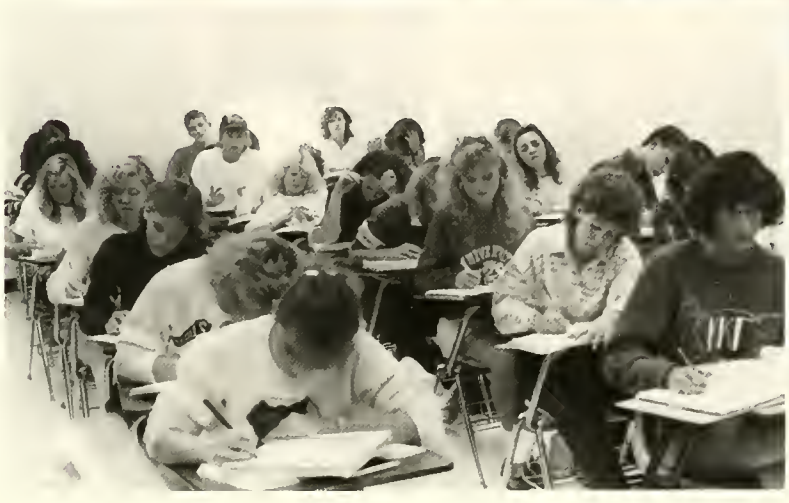
School's going great! I've been going to most of my classes and everything. Maybe you could reward me by sending me a little extra pocket money? In other words, PLEASE SEND MONEY SOON!!!!

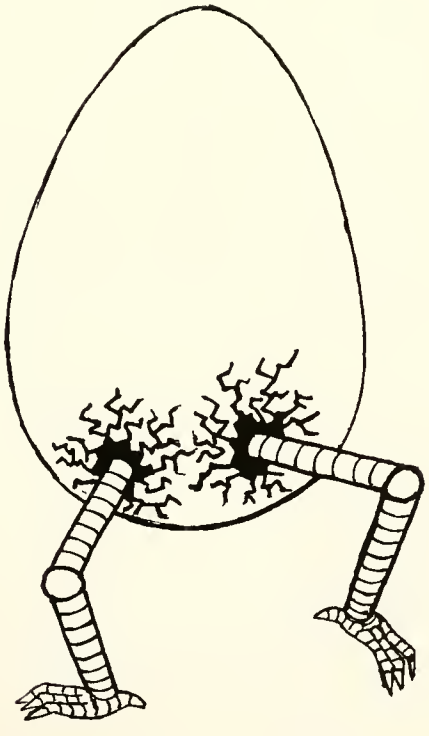
Your loving daughter,
"Sheila Spendit"

This page: Getting books and supplies at the beginning of the semester can mean long lines both inside and out. Top Opposite Page: Sending mail or getting packages is easy with the friendly postal workers.

Right: Sometimes you get a letter you just can not wait to read.
Far Right: Combination locks can be aggravating if one gets in too much of a hurry.

Students and Faculty

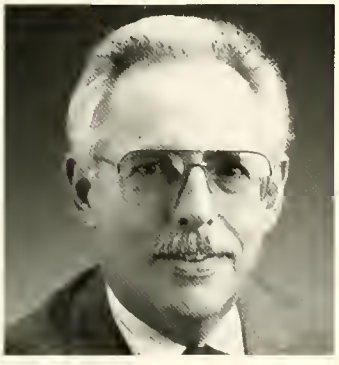




Each year thousands of people from different walks of life come to UNCW. We come from the mountains, the beaches, the cities, the suburbs, and the farms. We share our culture and knowledge to learn and to understand about life. Through it all, we slowly break out into a world of reality, so that we may strive to succeed. Together, we will find answers... and the future.

Administration

Right: William H. Wagoner, Chancellor. Below (L-R): Charles Cahill, Provost and Vice Chancellor for Academic Affairs; William Bryan, Vice Chancellor for Student Affairs; F.P. Fensel, Chairman of the Board of Trustees. Opposite Page, ROW 1: F. Douglas Moore, Vice Chancellor for University Advancement; Robert O. Walton, Jr., Vice Chancellor for Business Affairs; Richard Mullendore, Associate Vice Chancellor for Student Affairs. ROW 2: Eric G. Bolen, Dean of the Graduate School; Patricia Leonard, Dean of Students; Jacqueline Skinner, Assistant Dean of Students. ROW 3: Roy E. Harkin, Dean of the School of Education; Norman R. Kaylor, Dean of the Cameron School of Business; Daniel Plyler, Dean of the College of Arts and Sciences. ROW 4: Marlene Rosenkoetter, Dean of School of Nursing; Ralph H. Parker, Director of Minority Affairs; Dorothy P. Marshall, Registrar.



History Faculty

Dr. Kathleen Berkeley, Dr. William Schneider, Dr. Ravi Kalia, William Glass, Dr. Alan Watson, Dr. Susan McCaffray, Dr. Carole Fink, Dr. Melton McLaurin-Chairman, Frank Cable, Walser Allen

Philosophy and Religion Faculty

Dr. Walter Conser, Dr. Wayne Dewitt, Dr. Don Habibi, Mary Henderson, Dr. James Megivern-Chairman, Dr. Thomas Schmid, Dr. Gerald Shinn, Dr. Patricia Turrisi, Dr. Joe Wilson

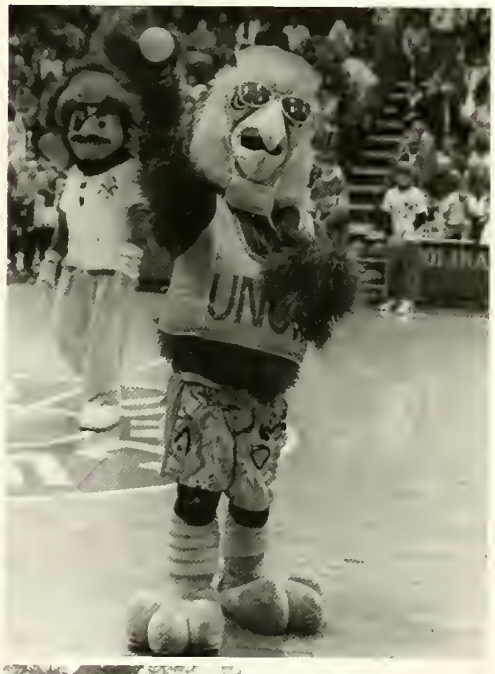
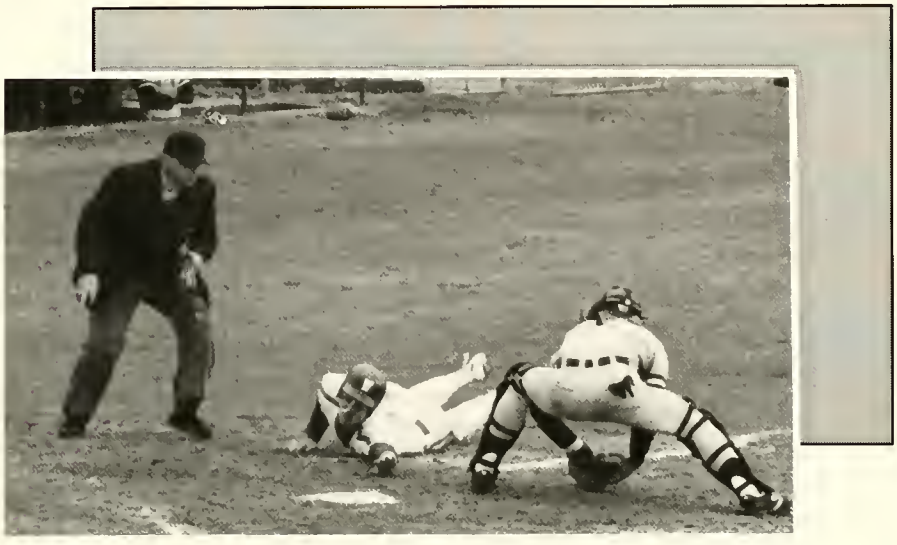
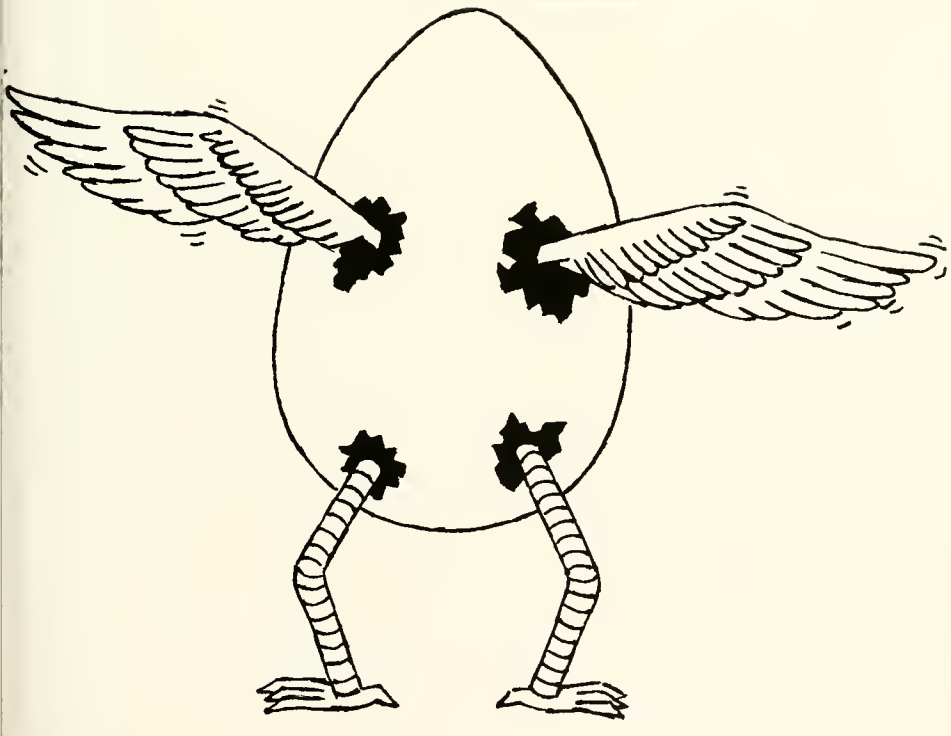
Bottom of Opposite Page: Halloween brings out all kinds of creativity as evidenced by Staffer Todd "The Hunchback" Shaver and Kim "Baby Snooks" Tracy.
This Page: Left; Students walk to class. Below: Mascot wears surgical mask at Basketball game against ECU, which had a large out break of measles. Bottom; Overcrowding at the cafeteria bike racks has forced students to find alternative methods of theft prevention.



Seahawk Sports

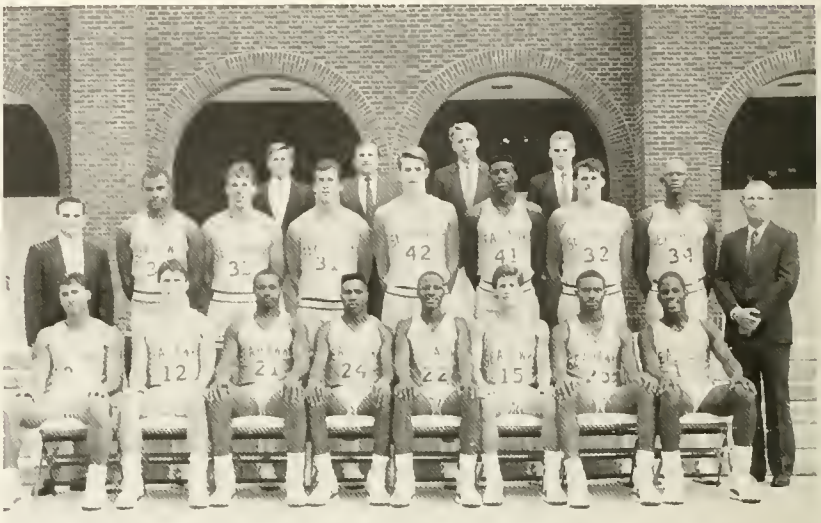


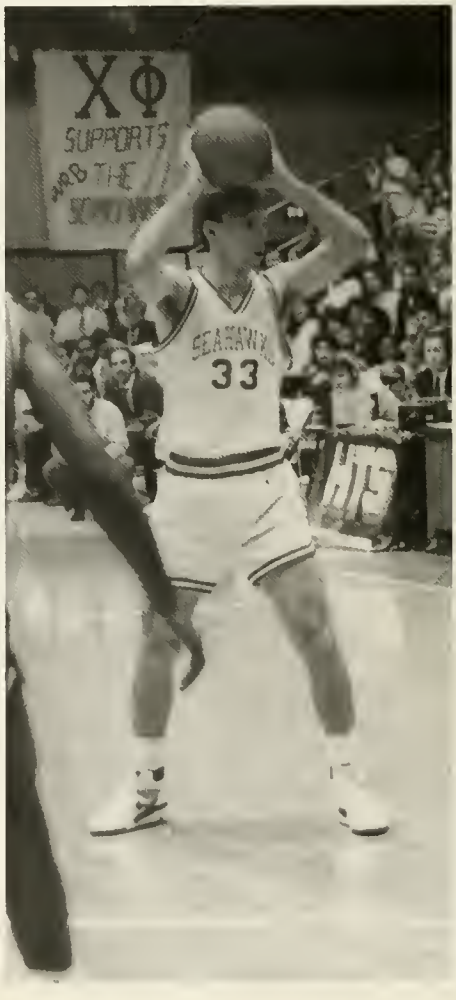


There were grand slam homers in the bottom of the ninth and three point buzzer beaters. There were screaming crowds and crazy Seahawk antics. Fight songs from pep bands could be heard echoing off the rafters of packed sporting events in Trask Coliseum. We took our banners, cheers, and talents to the playing field and showed the world what Seahawks could do. Throughout the year we gave blood in Rugby", swam fast times in the pool, scored many goals in soccer, and netted victories on the tennis court. We would stride to win, but win or lose we always put forth our best efforts. Regardless of our young teams and lack of inexperience, our teams would break out every game with a new beginning.

Seahawk Basketball

This year's Basketball team consisted of Seniors Antonio Howard #22, Greg Bender #33, Larry Houzer #41, Ricky Griffin #21, and Kenny Mickens #24. Juniors; Adam Porter #23, and Robbie Carter #35. Sophomores; Brannon Lancaster #15, Scott Tierney #32 and Major Wiggins #34. The freshmen are Mark Eaton #12, Joe Cherry #14, Bryan Withers #25, EdChesney #31, and Matt Fish #42 The team was led under the direction of Coach Robert McPherson and Assistant Coaches Bob Rosenkranz, Lee Hood, and Mike Elbe. Joe Brennan was the head Manager and Terry middleswarth was the Trainer. Below: The Seahawk Flies above the crowd with a little help. Bottom Left: Senior Greg Bender passes the ball around to find an open man.





Swish! Another two points for the mighty Seahawks. The 1988-89 season started slowly with an exhibition game against Brazil. Throughout the season, the Seahawks competed hard against teams like Old Dominion, Boston College, and Wake Forest. With strength and endurance, played against these top ranked teams with a driving force that lead to a somewhat successful season. Among the Seahawks leading players were seniors Larry Houzer, Greg Bender and Antonio Howard.

Left: Senior Larry Houzer goes up with a short shot. Below: Major Wiggins shoots a free throw while team mate Greg Bender stands on the lane ready to get any rebounds. Bottom: Antonio Howard drives the lane.

Women's Basketball

A steal, a quick pass, a shot , it's good! The Lady Seahawks are on their way to a winning season. Forward Charlene Page was the high scorer this year and received help on the boards by center Kelly Kincad. Starting guard, Cindy Makowski, was injured early in the season. The job of engineering the offense was left to Gina Bennent. When the Hawks weren't flying by their opponents on the fast break, they were bombing long range three pointers from all sides of the court. Quick hands and smooth passes were the key to many of the Seahawks' victories. When the starters were injured or in foul trouble, their backups stepped right up to meet every challenge their opposition could throw them. Most of their games went right down to the wire and kept their fans on the edge of their seats. Every dribble led the Seahawks just one more basket closer to victory.

Members of the Women's Basketball Team include, Front Row:(L-R), Rosalyn Flood, Susan Kelly, Charlene Page, Cindy Makowski, Tracy Bradshaw and Gina Bennett. Second Row: Tressa Reese, Denise Bailey, Kelly Kincaid, Jennifer Bennett and Amy Williford. Back Row: Assistant Coach Laura Gunnells, Managers Caroline Chambliss and Tania Fields, and Head Coach Marilyn Christoph.

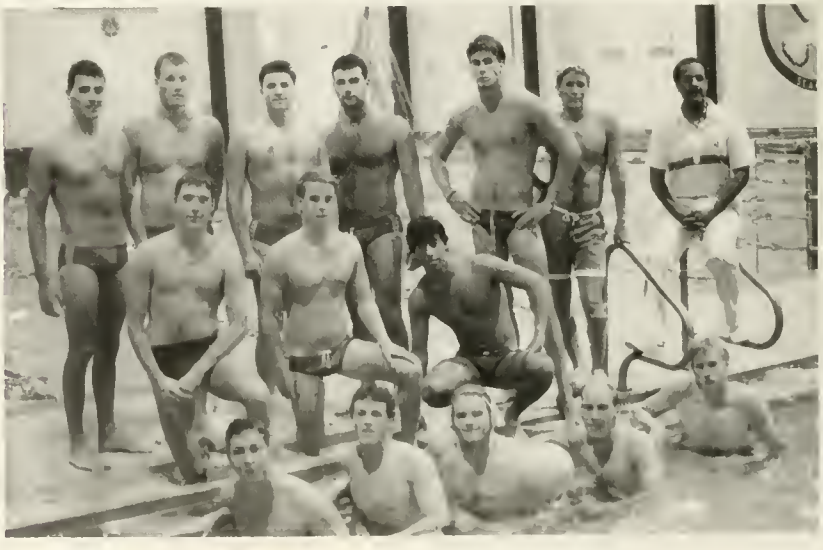
Seahawk Soccer

A shot, they score!! And another goal is made for the Men's Seahawk Soccer team. They battled out of an earlier scoring slump and gave third year coach Jackie Blackmore his first winning record with a 9-7-1 mark. The Seahawks were led by sophomore scoring sensation Chris George, who amassed 13 goals and numerous assists for the Green Machine. Graduating senior David Cresswell added three goals and was the heart and soul of the offensive 1-2 punch. Sophomore goalie John Pinter was a pleasant surprise as he blocked, kicked, and slapped away 82 shots and recorded 4 shutouts. Marc Rose, Jimmy Mcmanus, Sean Wallace, and Dean Marnell were the main players in an aggressive defense that kept the bouncing ball away from the Hawks' net. They rarely allowed more than a two goal advantage for their opponents. Watch for a CAA title next year for the Seahawks are flying straight to the top.

The members of this year's Soccer Team include Seniors John Hollenbach and David Cresswell. Juniors Buck Rowlee, Ronald Smith and Drew Pope. Other members are Jeff Ferguson, Tom Redmond, John Pinter, Charles Mitchell, Jimmy McManus, Gerard Schwenk, John Hoffman, Alex Sibinovic, Chris George, Peter Clay, Marc Rose, Greg Diamond, David Allen, Adrian Pearson, Bruce McGoogan, Tom Allman, Dean Marnell, Sean Wallace and Mike Ingram. The team was led by Coach N. Jackson Blackmore.

Seahawk H_2O Polo...

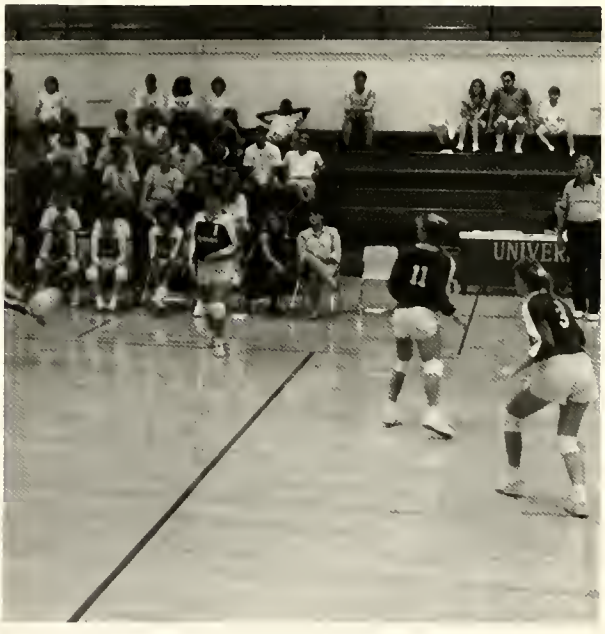
A spike, a shove, a save, and a set-up are all terminology in the fast-moving , quick-scoring exciting sports of college volleyball and water polo!! You can slam or get slammed in the face as both teams work together as a team to insure that a point or goal is scored in a hurry. The women's volleyball team capped its best season ever by achieving a impressive 30-3 record. Led by All-Conference team members DeDe Devoley, Yvonane Holan, Lisa Mills, and Mary Lou Ryan, the Seahawks got off to a perfect 15-0 start and only suffered three losses, but not one of them was on Seahawk's turf. Meanwhile the water polo team, the sharks of the waterways, continually out muscled their opponents with a strong passing game and good conditioning. Mike McGinity and Glynn Boze were team leaders and high scorers as the Seahawks won the Lynchburg title and finished in fourth place in the other tourneys. They combined strength, agility and speed to create a high powered scoring machine.



This Year's Water Polo Team consists of Brian Barndt, Glynn Boze, Scott Carboni, Bill Foster, Hollis Griffin, Mike Maher, Mike McGinty, Will Monroe, Rob Miecznikowski, Tyson Philyaw, Chris Ratto, Rob Stangia, Mike Walker and Tim White. The Head Coach was Marc Ellington and the Trainer was Terry Middleswarth.

...and Volleyball

This year's volleyball team was led by seniors, and team captains; Mary Lou Ryan, Lisa Mills, and DeDe Devoley. Other team members include; Yvonne Holan, Jamie Mincey, Hannah Helton, Cristty Montford, Heather Kimble, Diane Lynn, Julie Shouse, Leslie Knauss, and Diana Jones. The team's guidence was provided by head coach Kathy McDaniel and assistant coach Elaine Penn. Wendy Torres and Leigh Noblin were the team's managers.

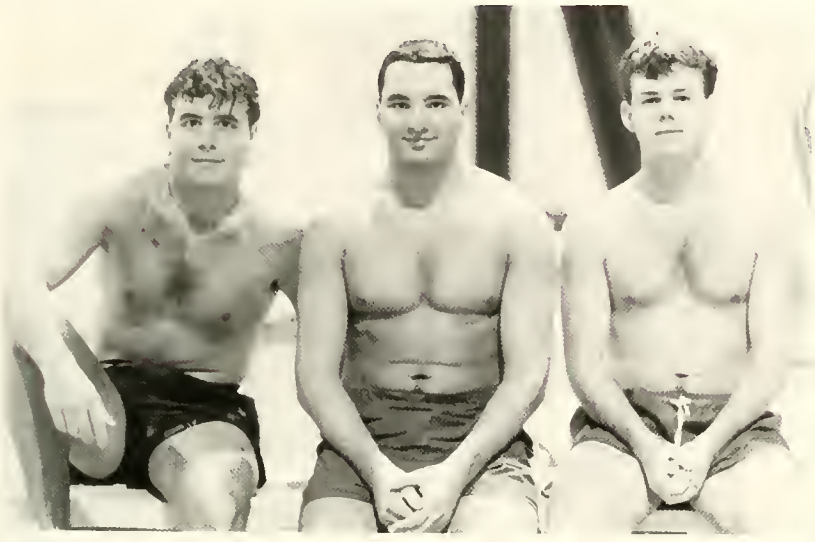


Swimming & Diving

Splish! Splash! They were swimmin' in the NAT. The Seahawks dove into a successful year at the ole pool area by swimming over their heads in the Swimming Championships at Trask Natatorium. Seniors Phillipe Roth and Marti Mucci captained a predominantly freshman squad that provided many exciting close meets to all its supporters. The men's team swam extremely well and finished with a winning mark. The ladies fared well considering their small number of swimmers. Laura Grant shattered numerous freshman records and Coach Dave Allen was quoted as saying "This has been the hardest working team I ever had the pleasure to coach. They've improved a lot and won some big meets." Mary Beth Mills and Jeff Carles led the diving venue for the Hawksters. Mills was one of the best divers here at UNCW and qualified for both the Easterns and NCAA Zones. Carles finishes high in all his meets and performs many breath taking twisting somersault dives. Coach Marc Ellington nurtured inexperienced divers to reach down within themselves to execute the perfect 10.0 dive.

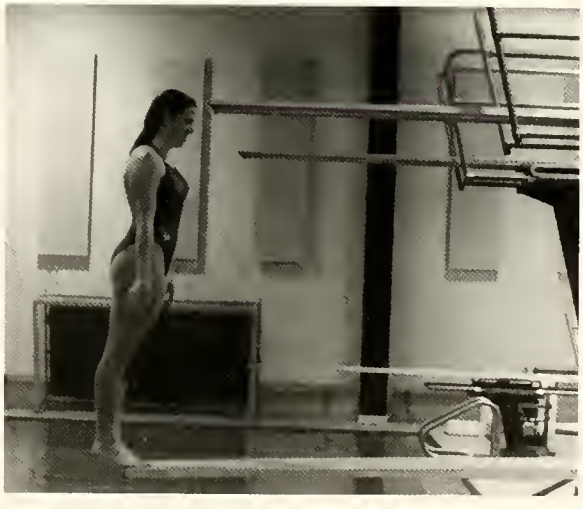
The Women's Swim Team Consists of Jill Calomeris, Laura Doepp, Debra Fastuca, Kristin Hansen, LuarieGrant, Marti Mucci, Michelle Riggins, Laura Spanjer and Mary Tarter. The team was led by Coach Dave Allen.

The Men's Team consists of Glynn Boze, Thomas Burket, Bill Foster, Yarko Foltyn, Joe Gammel, Steve Getzelman, Todd Hopkins, Brad Kinkema, Mike Maher, Rob Miecznikowski, Tyson PPhilyaw, Nick Revelas, Philippe Roth, Mike Schulte, Robert Strangia, Paul Talbot and Tim White. The team was led by Coach Dave Allen.



The Men's Dive Team consists of Jeffery Carles, Mike Walker, Tom Walters and is Coached by Marc Ellington.

The Women's Dive Team consists of Mary Beth Mills, Jessie Pustis, Elizabeth Crabb, Jennifer Rebhan and is Coached by Marc Ellington.



Baseball & Softball

This year's Baseball team is made up of Seniors Al Frank Catucci, Tom Heitler, Howard Perch, Tommie Adams, E. H. Kennedy. Other Team members are Perry Currin, Randy Fennell, and Mark Chamberlain, Trent Mongero, Joe Catalano, Mike Ferrell, Tim Hooks, Ed Stoudenmire, Randy Hill, Desi Williams, Mark Bass, Brian Eichhorn, Bryant Balentine, Jerome Hunt, Keith Jarman, Todd Penley, David Morrison, Tony Tillman, John Schultz, Jon Wood, Clint Rouse, Curtis White, Daniel Herring, Eddie Huffman, Jonathan McBee, and Keith Johnson. The team was led by Coach Bobby Guthrie and Assistant Coach Mark Scalf. The team manager is Steve Martin

The Women's Softball team is made up of Seniors Lisa Affrunti, Roxanne Belica, Julia Boseman, Sheri Morrison, Lisa Perry, Karen Rogers, and Okada Scott. Other team members are Yuki Henry, Ingrid Meyers, Karen Massengill, Kim Yates, Sherri Jernigan, Laura Lawrence, Debi Rowe, and Missy Loveless. The team is led by Coach Maggie St. Ledger.

It's a two and two count on Trent Mongero, he digs in, the pitch---Crack!! It's going,going, it's out of here! An another home run for the Kardiac Kids of Baseball, the UNCW Seahawks. This year the Seahawks won its first conference title in the history of UNCW. They were predicted to finished no better than fourth. The Hawks relied on steady pitching, strong defense, and a hitting combination that send opposing pitchers to the showers in a hurry. The women's Softball team were also tearing up the basepaths as they had their best season ever. Three hitters were over the .400 hitting mark and the team quickness surprised many of its CAA opponents. Both teams had a banner year as the Seahawks soared over their competition.

Cross-Country

Over the hills and through the woods to the finish line we'll go.... They were off and running on their inaugural season as the Cross-Country team proved to the world that a Seahawk is just as fast on the ground as in the air. Fleet-footed freshman Beth Holt became the second UNCW runner to place in the top ten at the CAA Championships in Williamsburg, Viringia, where many of our runners recorded their personal best times. However, no UNCW runner (man or woman) could seem to catch senior and team captain Ellen Fuller as she received the Most Valuable Runner award from Coach Bill Carson. Although they lacked a middle distance runner, the women's team finished a respectable fourth in the CAA Championships. The men's team had a good year against the high caliber competition they faced. With the Greene Track now open the Seahawk runners will be able to practice and train in order to become even faster.

The women's team are from L to R: Front Row: Tammy Connoley, Beth Holt, and Missy Hall. Second Row: Debra Pate, Jamie Oxedine, LaLonnie Walker, Sara Harris, and Coach Bill Carson. Not Pictured: Peggy Bolton.

The men's team are from L to R: John Pugh, Tim Galager, Layne Fuller, Shawn Brinton, Monty Powell, David Simmons, and Coach Bill Carson.

Club Football, Rugby, & Ultimate

Women's UltimateClub

Men's UltimateClub

Rugby Club

Seahawk Organizations

Through out time, each person has had individual interests. Without them, UNCW would not be what it is today. Individuality is made possible here by the many Greek and organization groups represented on campus. Within these groups, many new and lasting friendships have been made as well as all of the work that has been done to benefit others within the community. Greeks and organizations represent just one of the many ways UNCW breaks out into a new beginning.

Mini Mag

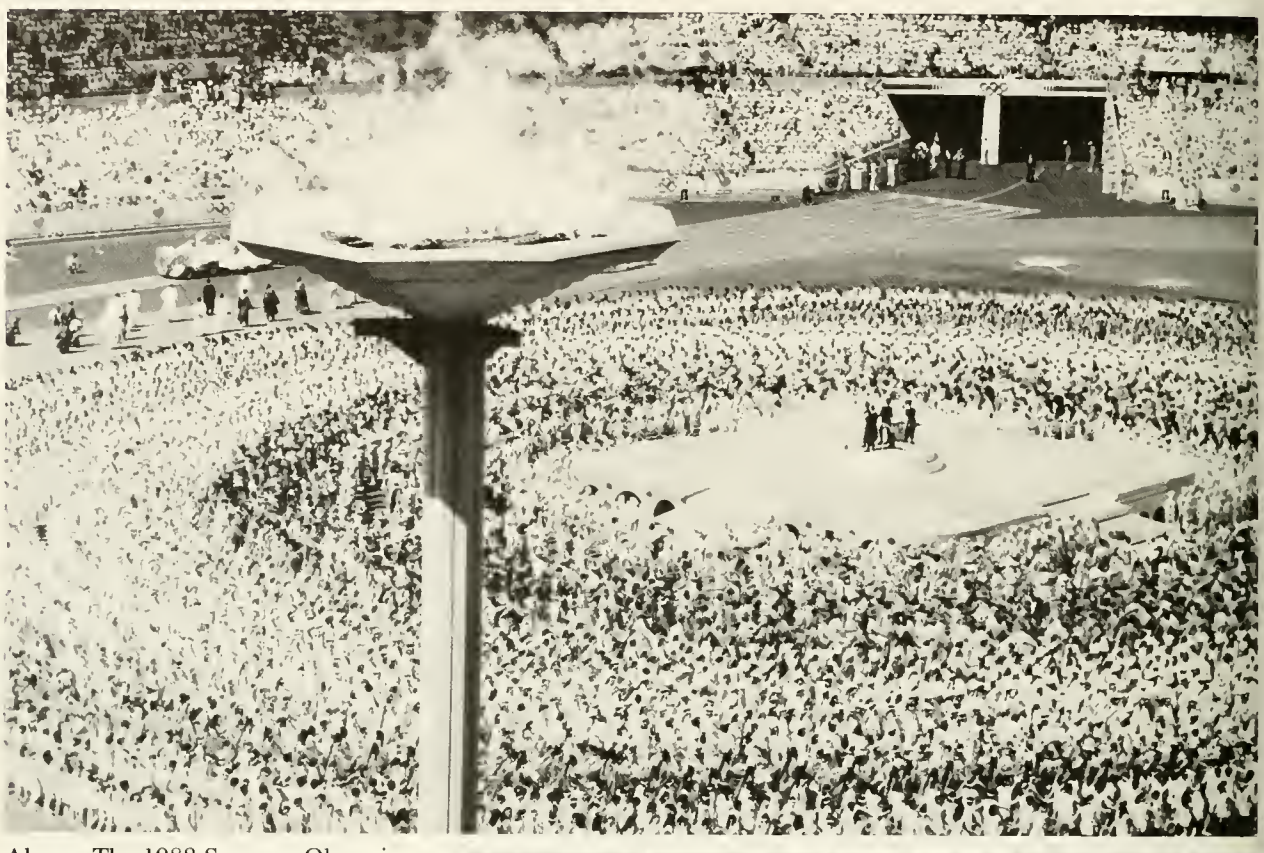
Within this section of the book, you will find the celebrations and the disasters that made 1989 a new beginning for our campus and for our country.

In The National News ...

Opposite, top:Vice President George Bush, after serving for eight years in the Ronald Reagan administration, got the expected nod at the Republican National Convention in New Orleans in the summer of 1988. His choice for a running mate was unexpected-Senator Dan Quayle of Indianna. The public opinion polls showed that the inexperienced 41 year old senator was not a popular choice. Bottom: The Democrats went ot Atlanta in the summer of 1988, and decided on Michael Dukakis, the governor of Massachusetts, to be its candidate for the President of the United States. He decided to pick Lloyd Bentsen, a senator from Texas, as his running mate.

This page, top: President Ronald Reagan and Soviet leader Mikhail Gorbachev worked for several years to bring the two contries together. After a treaty was signed to eliminate certain nuclear weapons, 1988 was the year the efforts of these two leaders went into effect. Bottom:The University of North Carolina at Wilmington was pleased to greet Michael Dukakis while he was campaigning for the 1988 Presidential election.

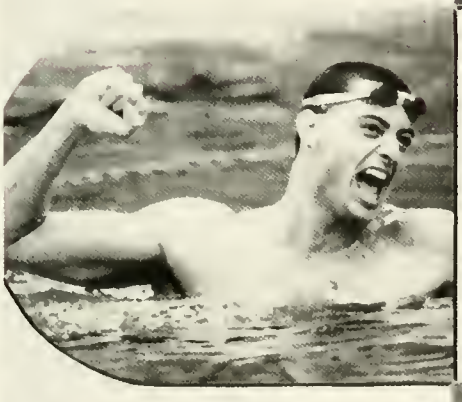
The Flames of Victory...



Above: The 1988 Summer Olympics in Seoul, South Korea opened with a dramatic and dazzling ceremony. A colorful, three hour spectatcle mixing ancient Korean rituals with space age technology kicked off 16 days of athletic competition. Right: Canadian Ben Johnson,left, and arch rival Carl Lewis finish the 100 meter race. Johnson was later disqualified for use of steriods. Far right: The stars of the 1988 Summer Olympics , clockwise from the top: Greg Louganis (2 gold medals), Carl Lewis (2 gold medals and 1 silver), Florence Griffith Joyner (3 gold and 1 silver), and Matt Biondi (5 gold, 1 silver and 1 bronze).

1988 SUMMER OLYMPICS

Seoul, Korea



GAMES OF THE XXIVTH OLYMPIAD SEOUL 1988

Right: Miss Gretchen Elizabeth Carlson erupted into tears as her name was announced as Miss America 1989. The twenty two year old Miss Minnesota, who planned to be a Harvard trained lawyer, becamc the first classical trained violinist to win the Miss America crown.
Below: It was one of the biggest marriages of the year. Heavyweight boxer Mike Tyson married actress Robin Givens. But the stormy marriage lasted less that a year. She filed for divorce. But after being accused for marrying :"Iron Mike" for his money, Ms. Givens said she wouldn't take a dime.

Famous Folks

Hall and Oates, Taylor Mason, and Kool and the Gang were just a few of the celebrities that performed here at UNCW during the school year.

Worldly Events

Bottom left: The shuttle Discovery blasted into orbit in September, the first space shuttle flight since the shuttle Challenger mission ended tragically after 73 seconds after liftoff on January 28, 1986. The Discovery ended its successful four day, 1.6 million mile mission with a triumphant landing at Edwards Air Force Base in California. Bottom right: The World Series belonged to the Los Angeles Dodgers. The Dodgers captured their sixth World Series title in October with a 5-2 victory over the Oakland A's in the fifth game of the series.

Opposite page, top: Amid the tears and grief, thousands of people who had died of AIDS were memorialized in October in ceremonies centered on a huge quilt made from the friends and family members of the victims. Each of the panels measured three feet by six feet and all fifty states and a dozen foreign countries were represented in the 375,000 square foot quilt. Opposite page, bottom: It became an international effort of goodwill. Russian and American rescuers cut through the ice in Alaska to save two California gray whales. The whales were trapped for more than three weeks. News media from around the world converged on the tiny village of Barrow, Alaska, to cover the successful rescue.

Advertisments

The University of North Carolina at Wilmington was graciously supported this year by the community and many others. The following pages represent some of the support we have received from members of the community.

CONGRATULATIONS, CLASS OF '89!

STAY IN TOUCH!

The University of North Carolina at Wilmington has been your home for what you will come to appreciate in the years ahead as some of the very best years of life. **UNCW and YOU! Growing better together with each passing day.**

We congratulate you as you prepare to begin the next exciting chapter of your voyage through time. And, we thank you for being such an important part of UNCW's historic voyage through time.

As we all prepare for the next chapter, please remember that you will always have a home in UNCW and that you will continue to be very important to UNCW! Your continuing success and your continuing commitment to UNCW will ensure its bright future as an institution of excellence!

Go forth with our blessings, excel in all that you do, and remember that UNCW is still an important part of your life!

With best wishes,

Yours

THE SEAHAWK

VOLUME 42 MAY 13, 1989 THE STUDENT NEWSPAPER OF UNCW GRADUATION ISSUE

AT A GLANCE

1150 Graduate UNCW

Largest Class Ever to march in Trask makes the big move on the 13th.

Condoms Coming To UNCW

SGA has voted to consider the possibilities of putting condom machines on campus. Students and faculty express both doubts and kudos for the proposal.

Racial Tensions Increase

Cries of racism echoed across the University Union this year. Complaints ranged from self-segregation to harassment by campus police.

Student Shot At Twinwood

Kurt Lindstrom was paralyzed by a bullet fired by Greg Sidbury. The incident rocked UNCW.

Seahawk Congratulates '89 Graduates

BY PHILLIP LOUGHLIN
EDITOR IN CHIEF

The Seahawk says "way to go" to the 1150 Seniors who took the big walk Saturday the 13th. 1068 Batchelor's degrees were handed out, as were 82 graduate degrees.

The marching students marked the largest graduating class in UNCW history. At this rate the ceremonies may have to be held in separate departments next year. The crowd of more than 6500 onlookers overfilled Trask Coliseum.

Dr. Roy Carroll, Vice President for planning at UNC General Administration, gave the graduating speech. He called for graduates to take control of their own lives and make something of them. He believes that "true freedom consists not in doing as we please but in doing as we choose."

The Seahawk offers special congratulations to the winners of the Alumni Award. Four students received this distinguished honor for maintaining a perfect 4.0 average for their academic career.

Wanda M. Worrell received the Hoggard Medal for her the improvements she made during her stay at UNCW.

Dr. Wagoner also overcame debilitating circumstances to attend his 20th graduation ceremony. A heart-attack in April almost spoiled his perfect record of attendance at the event. Wagoner has not missed a graaduation since becoming President of Wilmington College in 1968, and laterbecoming UNCW's first and only Chancellor to date.

The Seahawk wants to wish each and every graduate the very best. To those who wait to follow in coming years, keep on plugging.

Life is what you make of it. Don't worry about who you let down along the way, as long as it is not yourself. Don't stop until you get what you want. Go for it!

BRAVO !

These are the Graduates who Received the Alumni Award:

Paula Chenier Eissens of Chadbourn, NC, majoring in Accounting.

Shari Holder Rogers of Jacksonville, NC, majoring in Math.

Robin Joseph Boucher of Wrightsville Beach, NC, a History and Social Studies major with Teaching Certification.

Paul Augustine Cardullo of Rockville, Md. Cardullo majored in Marine Biology. He will continue his studies and work toward a doctorate in that field.

Everybody's Doin' It!

In Memorial

The following Seahawks lost their lives this year:

Felicia Lenore Exum died due to an extended illness.

James Hillard Shockey died as a result of a massive head bleed.

Theresa Deann McManus died in an automobile accident.

Kris Starver Rogers died in a motorcycle accident.

Ruth Gardner died of an extended illness.

Addison Hewlett died of a heart attack.

To honor the deaths of these fine people, we would like to dedicate this poem to their families.

Death be not proud, though some have called thee Mighty and dreadfull, for, thou are not soe,
For , those, whom thou think'st, thou dost overthrow,
Die not, poore death, nor yet canst thou kill mee:
From rest and sleepe, which but thy pictures bee,
Much pleasure, then from thee, much more must flow,
And soonest our best men with thee doe goe,
Rest of their bones, and soules deliverie.
Thou art slave to Fate, chance, kings, and desperate men,
And dost with poyson, warre, and sicknesse dwell, And poppie, or charmes can make us sleepe as well, And better then thy stroake; why swell'st thou then? One short sleepe past, wee wake eternally,
And death shall be no more, death, thou shalt die.

-John Donne

"Ed"-in-Chief's Note

Well, its been a long, hard year, at least for me. With this note though, we will bring it to a close. As the school year began I found myself fighting to keep the Fledgling alive, because I felt the students, faculty and staff of UNC - Wilmington wanted and deserved a top quality yearbook. Many times I felt that I was fighting by myself, but in those times someone was always there to encourage me. Many times it was Celeste Bulley or Chad Adams, Editors of the Seahawk, who were there to lend advice and, to publish the Fledgling's dilemma in the school paper. The staff which I had gathered waited, sometimes impatiently, but that was understood, because there was little to do until we were sure we had a book. As the battle ensued many Student Government Leaders, Senators, Faculty and Staff members came to our support, and eventually we were granted the funds on which to proceed. The day after we were given our funding, I was up in the Student Government office ordering our new Apple Macintosh SE, on which much of this book has been compiled. The computer finally arrived just as our first deadline was do. Fortunately we had planned on it arriving as late as Christmas time and did much of the work on lay out paper to be sent in on time. Well, at least we tried to be on time. Bud Williams, our representative from Walsworth Publishing, was understanding and helped us as much as humanly possible, by showing the staff how to use the new Mac and pleading our case to his superiors because we were running behind. Some how we managed to muddle though all the things which sought to set us back, or most of them. Many thanks to the above mentioned people for their help. I would also like to thank Suzie Goodrum, in the SGAoffice, for putting up with me the many times when I was in there trying to get things straightened out. Lastly my special thanks to my Assistant Jennifer Young for all her hard work. I hope that you are pleased with this year's book. Our staff this year consisted of mostly hard-working freshmen, as a result of rebuilding. With this year's experience behind us we look forward to expanding the format to a 9"x12", 200+ page book with more color next year.

"Mr. Ed" Shiffler
Editor-in-Chief
The 1989 Fledgling

COLOPHON:

The 1989 Fledgling was printed by Walsworth Publishing Co., Marceline, Missouri.

The press run was 400 copies. The book consists of a total of 7 1/2 signatures or 120, pages with a half of signature of four color. The book measures 8 1/2" x 11".

Much of the book was done on the Apple Macintosh SE, using PageMaker 3.01 and Microsoft Word 2.0. The Lithographed cover was designed by Larry Young.
